

Epilepsy Information for NDIS Services

Epilepsy Tasmania is a not-for-profit community organisation improving the quality of life of Tasmanians with epilepsy, and those around them, through education, coordination and support. www.epilepsytasmania.org.au
Epilepsy Tasmania have a range of services we can provide for people in the NDIS.

As a non NDIS registered provider, participants will require Plan Management or Self-Funded in their NDIS plans to access our essential services.

Our key staff delivering NDIS services include:

- Education & Training, Social Worker
- Outreach Training & Education Registered Nurse

Services

Epilepsy Specific Training: Suitable for support workers, carers, workplaces, aged care workers, family members or other support people. We can also deliver training for non-epileptic seizures. Currently delivered via Zoom.
