

SERVICE SNAPSHOT

SERVICES

EPILEPSY MANAGEMENT PLANS, SEIZURE

MANAGEMENT PLANS

Personalised Plans developed in coordination with families/informal carers, employers, schools, workplaces, disability support services etc.

EPILEPSY MANAGEMENT TRAINING

Suitable for support workers, carers, workplaces, aged care workers, family members or other support people

We can also deliver training to manage non-epileptic seizures.

Education & Training Coordinator

Ph: 0456 231 632

SOCIAL WORKER/REGISTERED NURSE SUPPORT

Specialised staff can work one-on-one to assist with accessing services, referrals and other ongoing support that may be required.

We can also provide advice on seizure management, safety risk assessments and for maintaining independence.

PEER SUPPORT

Individual and group support for people living with epilepsy and their family/informal carers.

ASSISTED TECHNOLOGY EQUIPMENT

Information and support on accessing seizure monitoring devices that meet individual needs and requirements.

REFERRALS

REFERRAL FORMS

Downloadable and online forms for medical specialist and personal referral to Epilepsy Tasmania and Seer Medical.

Visit our Website Page:

<https://epilepsytasmania.org.au/for-healthcare-professionals/>

Referrals accepted via our website, phone or in person at our Hobart or Launceston offices.
